Under the Spreading Chestnut Tree

Under the spreading chestnut tree
I’m as happy as can be
With my doggie on my knee
Under the spreading
Chestnut tree

Motions
Under – reach down between legs
Spreading – spread arms out to sides
Chest – touch chest   Nut – touch head
Tree – arms up like tree

Then kneel down for doggie on my knee

Sing through once doing all motions
Then leave off the word UNDER – just do motion
Next time leave off under and spreading, etc.
