# BLAST OFF!!

Calling all space cadets!

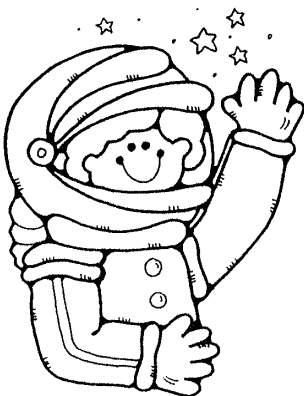

Blast off with us for an out - of - this - world adventure at the Space Academy on Thursday, April 22. We will launch the fun at 6:30 and we will re-enter the gravity zone at 8:00 p.m. Plan to enjoy a dinner of genuine space food with us. Be prepared for lots of un-earthly activities. The government funding for this mission requires a \$2.00 tax per person attending. Please return this form and tax to mission control as soon as possible.
